MAYOR'S NIGHT OUT IN CANYON CREST ON THURSDAY; MARKS 93RD EVENT

RIVERSIDE, CA: Mayor Ron Loveridge is taking his city hall road show to Canyon Crest Thursday evening.

Mayor's Night Out brings the Mayor, City Councilmembers and city department heads or senior officials, including the city's police and fire departments, to each of the city's 26 neighborhoods in accessible community locations; Canyon Crest is Mayor Loveridge's 93rd foray into Riverside neighborhoods to listen and respond to resident questions and concerns.

"Mayor's Night Out is a chance for residents to bring their questions directly to the Mayor and get feedback directly from the department's responsible for their areas of concern," said Mayor Ron Loveridge. All residents in attendance get detailed written responses to all the questions raised within 30 days.

"Local government is closest to the people and their everyday concerns," Loveridge said. "Mayor's Night Out brings government even closer and brings some face-to-face accountability to what we're doing at City Hall."

City Councilmembers Ameal Moore (Ward 2) and Frank Schiavone (Ward 4), who represent the Canyon Crest neighborhood, will also be in attendance. City departments will have educational displays on hand; refreshments will be served. There is no cost to attend.

Mayor's Night Out begins at 6:30 p.m. Thursday, November 20 at Castlevue Elementary School, 6201 Shaker Drive in Riverside. Call Alysa Majer at 826-5776 for more details.
